

Field Technician

RA Consultants, LLC, located in Cincinnati, Ohio, is seeking a motivated field technician that can multi-task between projects and achieve project deadlines. The capacity to learn new processes is critical, as well as having good verbal and written communication skills, and being able to work well in a team environment. This position will provide exposure to a wide variety of tasks, offering hands on work experience with seasoned professionals.

Good public relations, note taking, and communication skills are essential. Critical thinking skills and self-motivation are also required.

This position will support staff in routine field operations.

Requirements and Job Duties:

- Basic to intermediate knowledge of Microsoft Office.
- Candidate must maintain a valid Ohio Vehicle Operator's License.
- Support installation of monitoring equipment and field data collection.
- Provide emergency field services when required.
- Familiarity with Confined Space Entry and Fall Protection Equipment
- As-Needed miscellaneous services.
- Ability to collect field measurements and other utility asset attribute information through the use of tablets and other mobile devices
- Ability to follow instructions and work in an organized and safe manner.
- Salary Range: \$16.00 to \$22.00 per hour, depending upon qualifications.

Preferred Attributes/Application Scoring Criteria:

- OSHA 10-Hour and Confined Space Entry Certifications
- Experience working with water, wastewater and stormwater utilities
- Experience collecting, creating, formatting and editing data for use in GIS projects.
- Experience with Esri ArcGIS and/or CAD software packages.
- Experience producing hard copy and digital maps/plans products.

Working Conditions:

- Occasional exposure to traffic hazards and inclement weather.
- Must be able to lift up to 60 pounds.
- Occasional overnight travel.

RA Consultants, LLC is an Equal Opportunity Employer and a Drug Free Workplace.
